### Sunday, July 8 through Saturday, July 14, 2018 at Clearwater Forest Camp in Northern Minnesota

At Clearwater Forest each session of camp is rich in a variety of activities, fresh air and engaging worship. The youth development specialists complete rigorous training in areas of spiritual development, small group facilitation, and recreational opportunities, as well as the many safety procedures necessary to conduct as safe a program as possible. The loving, enthusiastic and dedicated staff provides safety nets for campers to take healthy risks through fun, challenging and adventurous activities. From learning to paddle a sea kayak to cooking over a fire to snorkeling to completing the High Ropes Course, fun challenges will help campers stretch and grow in a safe Christian community. Visit: [clearwaterforest.org/summer-camp/](http://clearwaterforest.org/summer-camp/)

There are two options to choose between for each age group:

#### Elementary (entering 4<sup>th</sup>-6<sup>th</sup> grade)

- First Timers Camp \$295 – This 3-day camp (July 8-11) is a great option for families who aren't quite ready for a full week apart.
- Discovery Eco Camp \$432 – Campers will explore Clearwater Forest, learn about the local ecology, observe wildlife and find ways to be faithful stewards of God's creation. All that on top of great camp activities like Quest Bible study, group worship, archery, ropes courses, boats & paddleboards, crafts, games and more.

#### Junior High Camp (entering 7<sup>th</sup>-8<sup>th</sup> grade) \$432

- Adventure Eco Camp - Campers will explore Clearwater Forest, learn about the local ecology of both land and water, observe Clearwater's wildlife, and find ways to be faithful stewards of God's creation. Don't fret; there will still be lots of time to engage in the usual camp activities like games, boating, archery, climbing, ropes courses and more!
- Adventure Sailing Camp - Spend the week learning knot tying, equipment management, and, of course, how to sail. Campers will sail on Clearwater Lake during the day, and participate in evening activities with the rest of camp at night. Excellent instruction and lots of water, games, and fun help make this week unforgettable!

#### Senior High Camp (entering 9<sup>th</sup>-12<sup>th</sup> grade) \$432

- Service Camp - Spend a portion of each day working on in-camp projects that will benefit Clearwater for generations to come, or supporting service organizations (maybe a community garden or food shelf) in nearby towns! Regular camp activities such as worship, Quest Bible study, games, swimming & boats, and high ropes will still be a part of this experience.
- Sailing Camp - Spend the week learning knot tying, equipment management, and, of course, how to sail. Campers will sail on Clearwater Lake during the day, and participate in evening activities with the rest of camp at night. Excellent instruction and lots of water, games, and fun help make this week unforgettable!

**Parents/Guardians** – We have found that kids are most likely to have a positive camp experience when they are interested in being at camp, and are able to follow rules and directions, respect others and make good choices. As you register for camp, please consider your child's readiness to participate in camp activities and follow camp rules. Camp staff is well trained to help kids tackle new experiences and responsibilities and work through challenges. If a child has significant difficulty adjusting, s/he may need to be picked up and brought home.

There is a lot of helpful information on Clearwater Forest's approach and setup in their Frequently Asked Questions (<http://clearwaterforest.org/summer-camp/faqs/>), there will be opportunities for questions during the Camp Information Meetings, or you can contact Carla Urban ([carlaurban@parkavechurch.org](mailto:carlaurban@parkavechurch.org) or 612-227-5015)
